Testimonials

Gauri Shenoy
Satisfied Patient

Dr. Rujuta Hantodkar for her exceptional expertise and genuine care. I had been suffering from severe pain for over a year, which not only affected my health but also disturbed my personal and professional life. Despite consulting some of the top doctors in Thane, no one was able to diagnose the real issue.

Jyoti Shukla
Satisfied Patient

I highly recommend Dr Rujuta Warke from the initial consultation to the irregular periods.
Dr Rujuta has explained everything's in a sinple way. and provide a solution .
She always available to answer my call and address my concern also proved emergency consultation.
I'm so grateful for her dedication and care!

Tanvi Kadam
Satisfied Patient

Highly recommend Dr. Rujuta Warke for routine gynecological check-ups. She is very professional, patient, and makes you feel completely at ease during consultations. She takes the time to explain everything clearly and ensures you're well-informed about your health. The clinic is clean, organized, and appointments are usually well-managed. A great doctor if you're looking for someone approachable and trustworthy for regular care!!

Vishakha Kate
Satisfied Patient

Dr. Rujuta mam is the best gynaecologist in Thane..She is a knowledgeable doctor giving the right advice. Most importantly, she pays personal attention and care to the patient.

Srushti Naik
Satisfied Patient

I had a wonderful experience with Dr. Rujuta. She is incredibly soft-spoken, patient, and took the time to explain everything about cervical cancer in a very clear and comforting way. Her passion for women's health is truly inspiring. I genuinely appreciate her efforts and highly recommend her to anyone looking for a knowledgeable and compassionate doctor.

Ketki & Kedar Tillu
Satisfied Patient

A big Thank you from our family for handling critical operation successfully. Dr. Rujuta is very hardworking, sincere doctor. She did surgery on my wife and guided thro each and every step. The operation was successful and fast recovery was beyond expectation. Doctor is very caring and sensitive to all small issues patients go thro.
